Black Consulting Services, Inc. is number 24 among the area's Top 50 Fastest Growing Companies

Mechanicsburg, PA (September 28, 2011) – BlackCSI is proud to announce its rank of number “24” on the fifteenth annual list of the fifty top businesses making significant contributions to the growth, strength and success of the Central PA economy.

“We are honored to be among the top 50 Fastest Growing Companies in Central Pennsylvania. It has taken a lot of hard work and staff dedication to achieve this recognition” said Ruthann Black, President from Black Consulting Services, Inc (BlackCSI).

An event was held this morning at the Hilton Harrisburg to recognize the winners and announce their ranks. In addition to the awards breakfast, the “Top 50 Fastest Growing Companies” will be profiled in a special supplement to the September 23, 2011, issue of the *Central Penn Business Journal*, with information on each company’s financial growth.

In order to be eligible for nomination, companies had to be public or private, for-profit entities headquartered in Adams, Cumberland, Dauphin, Lancaster, Lebanon, Perry or York Counties. They were required to show revenue of at least \$500,000 in each of the fiscal years ending 2008, 2009, and 2010; then demonstrate revenue growth for 2010 as compared to 2008.

SF&Company calculated the nominations and then ranked the companies according to revenue growth over the three-year period. Both dollar and percentage increases were taken into consideration, which led to the list of the 2011 Top 50 Fastest Growing Companies, consisting of both large and small companies.
